

REMARKS

Allowable Subject Matter – Claims 2-18 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

5 The applicant thanks the Examiner for the allowable matter and has amended claim 1 to include all the limitations of claim 2, which was found allowable by the Examiner. Claim 2 is correspondingly cancelled and claim 3 is amended to become dependent upon claim 1. No new matter is added.

 In this way, currently amended claim 1 and its dependent claims 3-23 should be found
10 allowable for at least the reasons provided by the Examiner in the Office action of 10/02/2007.
 Allowance of pending claims 1 and 3-23 is respectfully requested.

Conclusion:

 Thus, all pending claims are submitted to be in condition for allowance with respect to
15 the cited art for at least the reasons presented above. The Examiner is encouraged to
 telephone the undersigned if there are informalities that can be resolved in a phone
 conversation, or if the Examiner has any ideas or suggestions for further advancing the
 prosecution of this case.
